FILMING AND PHOTOGRAPHY AT EVENTS

Please note that Gables Farm (or our authorised service providers) or our commercial partners may film or photograph participants, volunteers and spectators attending or taking part in our events and use such footage or photographs.

We do this in order to publicise the event for commercial and/or fundraising purposes including, but not limited to: television broadcasts, advertising, publications, marketing material, merchandising, social media, personalised direct mail and other media that may be made available to the public. Secondly, to enable our commercial partners to publicise their involvement and/or association with the event.

No personal details (including names) of any under 16-year-old participants will be used in any publicity materials without the written consent of their parent or legal guardian, but we may use images where children are incidentally included (for example, images of mass participation in the warm-up exercises, or on the starting line of organised runs or crowds at events).
