

# FUNDRAISING PACK

Helping the regions unwanted & abandoned dogs and cats since 1907

# Who are we?

Gables Dogs & Cats Home is a rescue and rehoming centre that has been helping the region's unwanted and abandoned dogs and cats since 1907.

# What do we do?

We take in and care for nearly 1000 cats and dogs every year. We either rehome them or re-unite them with their owners.

We enforce a strict non-euthanasia policy, which means **no healthy animal in our care is put to sleep**. Some dogs and cats stay with us for a long time but we never give up hope of finding them a new loving home no matter how much it costs! We rehome animals all over Devon, Somerset, Cornwall and the Isles of Scilly.

We receive no Government funding so totally rely on the generosity and support of the public through donations and legacies.

# What do we want to achieve?

Our aim is to take in and rehome unwanted and abandoned dogs and cats from our local area and find them new, safe and loving forever homes. The more money we generate the more animals we can help.

***This is where we need your help to raise funds to enable us care for as many animals as we can.***

# Our History

The charity was initially started by two sisters, Mrs E B Guard and Ms Agnes Grant who cycled around Plymouth collecting stray cats and later moved on to helping dogs.

As animal numbers grew they set up a shelter in the city centre run solely by dedicated volunteers, which was officially named as the Plymouth Devonport and Stonehouse Dogs and Cats home in 1908.

Eventually the number of animals being cared for outgrew the premises and a new plot of land was purchased in 1914 at Prince Rock in Cattedown. At some point the charity was renamed the Plymouth Dogs' and Cats' Home. Back then the surrounding area was not as built up as we see today.

This site remained a safe haven for stray and unwanted dogs and cats until 1984. The home survived the first world war but was damaged in the second world war. Luckily no animals were injured and Mrs Guard worked tirelessly to protect the animals. She even built an air raid shelter in the basement of her flat so she could help families with pets who were unable to take their pets to communal shelters. After the second world war was over a great deal of rebuilding became necessary.

In 1984 the sanctuary's third site was built in Cattedown to cope with the ever increasing number of unwanted and stray dogs and cats but by the late 1990's was still lacking in space.

In 1999 a new 11 acre site was opened at Gables. The charity was renamed Gables Dogs & Cats Home in 2000 as it was found that many people wrongly thought that the local council funded the organisation due to reference of the city's name. Since then the Home has grown into a state of the art animal Home with specialist staff and facilities.

# Organising a fundraising event

Events can be very effective in raising money and awareness about the charity.

## Lets start at the beginning

What kind of event do you want to organise? Ensure your aims and objectives are clear.

## Audience

Who are you going to target the event at? How can you make the event attractive to them?

- Fire regulations, insurances
- Catering facilities
- Cost of hire
- Capacity
- Licensing

## How much are you spending?

Some items to include;

- Venue hire
- Publicity / printing costs / advertising
- Hire of equipment
- Decorations
- Entertainers
- Prizes, refreshments
- Transport
- Phone bills, postage and other admin
- Insurance
- First aid provision - St John Ambulance or Red Cross volunteers can provide this at low cost
- Volunteer expenses

## How much are you going to make?

- Entrance fees
- Sponsorship
- Raffles
- Refreshments and / or goods
- Money-making stalls
- Charging stallholders or catering suppliers

**You will need to do your sums to make sure you have raised enough to cover the cost of the event and more.**

# Tell everyone about it

Fill in your details on one of our event posters and ask your local shops, libraries, schools, sports centre, community hall etc. to display it. Take this opportunity to ask if they would like to get involved.

Ask your employer if they would like to support the event by advertising it on the company website, social media, intranet or internal newsletter. You could also ask them if they would support your event financially by matched giving or donating a raffle prize.

Research local event websites - you may be able to post information about your event for free. Look at your local council and tourist attraction sites.

N.B. Please be aware that for any events held at private addresses - you must get permission to publicise.

## On the day

- Make sure you give yourself plenty of time to get everything ready.
- Meet with all of your volunteers to ensure they know what they are doing and are prepared.
- Make sure all rooms / activities are adequately signposted.
- Have a volunteer greeting people as they arrive.
- How does the venue look? Finishing touches are important.
- Try to record the event in photos and or video - share them on social media live or after the event.
- Most importantly - Relax and enjoy it!

## After the event

Congratulations on holding a successful event. You now need to collect the income, count it and either bank it so you can give a cheque to the charity or take the money collected directly to Gables. If it is a large amount ask someone to go with you.

**Thank all the volunteers and companies who helped you and give yourself a pat on the back.**

# Raffle guidelines

A raffle taking place at an exempt entertainment event (eg a fete, dinner dance, or sporting event i.e. not an event in which the raffle is the main attraction) does not have to be registered with a local authority or gaming board. However, some conditions must be met;

- The raffle should not include any cash prizes.
- The sale of tickets and the announcement of the winners must take place on the same day as the event.
- The total sum of bought prizes on offer should not exceed £250. Donated prizes in excess of £250 are acceptable.
- You can offer alcohol as a prize without the need to obtain a liquor licence but you must not sell tickets to under 18s.

We recommend that you buy a book of cloakroom tickets which can be sold either individually or as a strip. However, do not offer the incentive of 'five for the price of four' for example.

If you wish to run a raffle which is not considered part of an exempt entertainment event, there are very strict and complex laws relating to raffles and lotteries, and individuals **MUST** consult Gables Dogs & Cats Home or the Institute of Fundraising before organising a raffle or lottery.

# Gift Aid Donations *giftaid it*

Gift Aid makes an enormous difference to Gables because it can increase donations at no cost to the person donating.

## What is Gift Aid?

Gift Aid is one of the simplest and most effective ways of giving to a charity. As long as you are a UK taxpayer you can make your gift go further and make every £1.00 worth £1.25 at no cost to you.

If you pay tax at the higher or additional rate, you can claim the difference between the rate you pay and basic rate on your donation. Do this either:

- Through your Self Assessment tax return.
- By asking HM Revenue and Customs (HMRC) to amend your tax code.

Example; You donate £100 to charity - they claim Gift Aid to make your donation £125. You pay 40% tax so you can personally claim back £25.00 (£125 x 20%).

With Payroll Giving, you don't pay the difference between the higher and basic rate of tax on your donation.

## How can I give through Gift Aid?

If you are making a donation you will need to complete a Gift Aid declaration form. You can include all donations from the last 4 years. Remember to tell the charity about any tax years where you didn't pay enough tax.

## Paying enough tax to qualify for Gift Aid

Your donations will qualify as long as they're not more than 4 times what you have paid in tax in that tax year (6 April to 5 April). The tax could have been paid on income or capital gains.

You must tell the charities you support if you stop paying enough tax.

## Gift Aid and the Inland Revenue

The Inland Revenue provides answers to frequently asked questions on its own website [http://www.hmrc.gov.uk/charities/faq\\_donors.htm](http://www.hmrc.gov.uk/charities/faq_donors.htm)

# Fundraising tips

- Start early – the earlier you start the more money you will raise.
- Plan ahead – make a plan of how you are going to raise money. Make a list of who you are going to ask to sponsor you.
- Fix a target – people may ask you how much you plan to raise. An ambitious target may encourage people to give more as they will realise you are dedicated.
- Put the big spenders first – people will look to see how much money other people have pledged. Have generous pledges at the top will encourage people to give more.
- Be passionate – if you talk passionately about what your raising money for people will be more inclined to sponsor you.
- Gift aid it – ask people to tick the Gift Aid box on the sponsorship form – this will increase your total. When you send in your sponsorship funds please do not forget to send in the sponsorship forms too as we will need them to claim the Gift Aid.
- Collect as you go.
- Check the cheque – please make sure cheques are payable to Gables Dogs & Cats Home and ensure that they are filled in correctly.
- Say thank you – people really appreciate a short thank you note letting them know you have completed your sponsored task and letting them know how much you have raised.
